

Agreement Provisions

Name/Description _____

All Provisions Must be Acknowledged and Agreed to*

I understand that the **The Marley Project, Inc.** cannot and does not make any representations or warranties, either expressed or implied concerning the temperament, habits, health, pedigree, disposition, age, sex or background of this animal and that I have no right to a reimbursement of medical, adoption or other professional fees. Furthermore, I understand that the animal's future reactions to me, my family or any other person are completely unpredictable because animals, like people, have their own personalities.

I understand an animal that appears healthy when adopted may, despite **ALL** efforts, become ill. The animal I am adopting may or may not be ill at the time I take custody and ownership. I will immediately take my new **horse**, to my veterinarian, at my expense, if it stops eating, is listless, or exhibits other disease symptoms. If I am unable or unwilling to pursue veterinary care at my private veterinarian following adoption, I understand I may return the animal. If the animal is returned to **TMP** due to illness or injury, ownership will revert to **TMP** who will evaluate the animal to determine whether the animal will be provided medical treatment, placement or euthanasia. **TMP** does not pay any medical expenses for animals it does not own.

TMP reserves the right to conduct premise inspections before and after the adoption of the animal.

I assume full responsibility to provide proper food, water, shelter, veterinary care, exercise, and a safe environment for this animal.

In consideration of receiving this animal, the adopting party hereby releases **TMP**, its officers, agents and employees from all claims of Injury or damage which this **horse** may cause the adopter or the adopter's property. The adopting party further agrees to hold harmless, defend and indemnify **TMP**, it's officers, contract veterinarians, agents and employees from any and all claims of liability to other persons for injuries or damage arising out of or in connection with services of this program or caused to them or their property by this **horse** adopted by the adopting party.

If for any reason, the adopting party does not comply with all provisions of this agreement, the adopting party agrees to return the adopted animal to **TMP** upon demand of the enforcement agent.

I acknowledge that a staff member has reviewed documented information about this animal with me and that I have received said documentation in writing. I am adopting this animal with awareness of any documented medical or behavioral history.
